(Fri, 4 September to Sun, 6 September)**

The Sabi Sands Game Reserve offers a spectacular South African safari experience with luxury accommodation in the African bush. The expansive 65 000 hectare game reserve shares a border with the Kruger National Park, one of the largest game reserves in Africa. Sabi Sands Game Reserve's exclusive lodges offer a unique, diverse experience and a comfortable place to rest after a tiring day at the game reserve. The game reserve is renowned for its magnificent leopard sightings and the reserve boasts the magnificent Big 5, which can be spotted on game drives and game walks. The rangers are experienced and knowledgeable, ensuring that guests can learn all that they can about the area and its fauna, flora and other wildlife.

Overnight: Idube Private Game Reserve

The Idube Private Game Reserve is set in Sabi Sands, and offers a beautiful and relaxing stay in the African Bush. The Idube Lodge consists of eight stunning stand alone suites nestled in Knobthorn and Jackalberry trees. The rooms are individually decorated in true African style and come fully equipped to ensure maximum comfort. Animals roam freely on the lush manicured lawns and make for remarkable pictures.

Activities in the lodge include game drives, both in the morning and in the evening, where an array of animals can be seen, including the majestic Big 5, especially leopard, and over 300 different species of birds. The drive is 3-4 hours long and refreshments are served at designated stops. There are also guided morning bush walks, or if you are in the mood to relax you can enjoy a day lounging around the pool. Because of Idube's links to the local community, village tours are readily available - for a more unique adventure there are hot air balloon safaris as well as elephant education courses.

Enjoy a relaxing and fantastic adventure in the African bush at the Idube Private Game Reserve.
