This vast country is undoubtedly one of the most culturally and geographically diverse places on earth. Fondly known by locals as the 'Rainbow Nation', South Africa has 11 official languages and its multicultural inhabitants are influenced by a fascinating mix of African, Asian and European cultures. Spend your days discovering the gourmet restaurants, impressive art and nightlife scenes and fine beaches of Cape Town; enjoying a typical braai (barbecue) in the Soweto township; browsing the bustling Indian markets in Durban; or sampling some of the world's finest wines in the picturesque Cape Winelands.

Due to its rich and turbulent history there are plenty of historical attractions to explore including the Zululand battlefields of KwaZulu-Natal, the Apartheid Museum in Johannesburg and Robben Island, just off the coast of Cape Town. Above all else, South Africa's attraction lies in its remarkably untamed wilderness with its astonishing range of wildlife roaming freely across unfenced game reserves. With all of this variety on offer, it is little wonder that South Africa has fast become Africa's most popular tourist destination.

Lowveld

Sandwiched between Mozambique and the Mpumalanga area of the Drakensberg, the Lowveld is renowned for its subtropical climate, abundant wildlife, and ancient history. This area encompasses a number of spectacular game reserves including the world-famous Kruger National Park, vast farmlands, and the popular Panorama Route. This area serves as an excellent base from which to explore the Kruger. Visitors can explore the old gold rush town of Barberton, enjoy the city lights of Nelspruit and stay at a variety of comfortable country lodges.

Our owner-managed guest house is nestled in a beautifully landscaped garden and offers 9 individually decorated, en-suite rooms – each with their own private entrance and a balcony or patio.

Our location above Nelspruit town allows us to offer both the convenience of being close to the city center, while still offering the peace and quiet of suburbia.

The Mpumalanga Lowveld is within close range, with the Kruger National Parks' Malelane and Numbi gates a mere 45 minutes away. Day trips can be taken on the Panorama route where marvels like the Blyde River Canyon, God's Window and many waterfalls can be seen.

The team is waiting to welcome you to our 5 star establishment and look forward to making your stay a memorable one.
