Day 2-5: Old Bank Hotel, Cape Town

South Africa

This vast country is undoubtedly one of the most culturally and geographically diverse places on earth. Fondly known by locals as the 'Rainbow Nation', South Africa has 11 official languages and its multicultural inhabitants are influenced by a fascinating mix of African, Asian and European cultures. Spend your days discovering the gourmet restaurants, impressive art and nightlife scenes and fine beaches of Cape Town; enjoying a typical braai (barbecue) in the Soweto township; browsing the bustling Indian markets in Durban; or sampling some of the world's finest wines in the picturesque Cape Winelands.

Due to its rich and turbulent history there are plenty of historical attractions to explore including the Zululand battlefields of KwaZulu-Natal, the Apartheid Museum in Johannesburg and Robben Island, just off the coast of Cape Town. Above all else, South Africa's attraction lies in its remarkably untamed wilderness with its astonishing range of wildlife roaming freely across unfenced game reserves. With all of this variety on offer, it is little wonder that South Africa has fast become Africa's most popular tourist destination.

**Cape Town**

Cape Town is a coastal city in the Western Cape of South Africa, home to the world-renowned Table Mountain and Robben Island. The cosmopolitan city is one of the most popular tourist destinations in Africa owing to its wonderful climate, beautiful setting, rich history and thrilling attractions. A vibrant and urban city, Cape Town is the perfect place for any traveller, whether you're interested in nature and scenery, a bustling nightlife and food-and-drink scene, sensational sights and activities, or simply relaxing on the beach.

Overnight: Old Bank Hotel

The elegant Old Bank in the heart of Cape Town's City Centre is an urban retreat filled with greenery, Victorian details, modern design and spacious rooms.

Old Bank Hotel, a restored heritage building built in 1902 by renowned architects Black and Fagg, was the original Nedbank building in the Cape. Oozing charm and sophistication, old meets new in this celebration of classic Victorian architecture and modern design.

The entrance to the hotel is via a towering domed glass arch on the ground floor where a doorman will meet you and guide you up to the 8th floor via elevator. The elevator doors open into a light and open space that holds the reception, a private dining area and restaurant, a state of the art wine cellar and a show-stopping bar - the perfect space to sit back and enjoy the city views with a classic Old Fashioned or one of our signature cocktails.
